

Alliance Conference 2020

September 8-11, 2020

We're coming to YOU!

In response to the Coronavirus pandemic, the annual conference has been moved to a [virtual platform](#) that promotes access to more people.

This year we are utilizing an *Inverted Classroom Approach*, whereby we are first offering an information marketplace of pre-recorded sessions that provide opportunities for asynchronous learning (Sept 1-5).

- Over 25 sessions will remain available to you, on-demand, throughout the month of September.
- Join us from September 8-11, for our LIVE Days. The live days have important Plenary Sessions and special guest Keynotes.
- Each afternoon of the live days we are providing an [Open Space Cafe](#) for attendees to choose breakout room discussions on topics of their choice.

We are leaning into innovation and trying something new; we hope you will join us!

Wondering why you should register?

Visit our event page for all the details!
